April 2021

Environmental Awareness Webinar

The Earth Needs You

Dear Parents

In order to raise awareness about the environmental challenges (like global warming, pollution of river Ganges, and oil spills) harming our Earth, the Eco-club of Tagore International school, along with the EcoMap Organization, has organized a webinar which will shed light on the environmental problems, and encourage students to take action.

The session entails working for the betterment of readily identifiable wetlands within the city that are in crisis and planning a road map to improve the condition.

- **Date** : Saturday, 24 April 2021
- **Time** : 8:00 a.m – 9:00 am. **Please join by 7:45 am.**

Attendance is compulsory. Meet link will be shared with the students a day prior to the session.
