

**TAGORE INTERNATIONAL SCHOOL**  
**VASANT VIHAR, NEW DELHI-57**

**CIRCULAR FOR CLASSES XI C & D, XII C & D**

**TIS/ VV/ 2021-22/031**

**July 2021**

Dear Students

Indian Institute of Remote Sensing (IIRS), Dehradun, a constituent unit under Indian Space Research organization (ISRO) conducts courses, imparting training and education in the field of Remote Sensing and GIS Sciences since 1966. The focus of the course is on principles of Remote Sensing & GIS and its applications for environmental studies.

- **Course Duration-** The course will be of one week duration from July 26 to 30, 2021. Every day, there shall be two online lectures of 45 minutes each: one at 1000 hrs and another at 1200 hrs.
- **The course is free of cost.**
- **Important Date-** Last date to apply for the course is July 20, 2021
- **How to Apply-** Indian school students of Classes X, XI & XII can apply online for summer school at

<https://www.thebetterindia.com/257670/isro-free-online-course-remote-sensing-environmental-studies-certificate-apply-ros174/>

- Once you apply for the course, you will get login credentials for the LMS portal on your email. Please make sure that the email id entered is correct

**Step 1 :** Visit the official website and read through the [course brochure](#) and [guidelines](#).

**Step 2:** [Register yourself](#) as a student by entering the required information.

You can read the official guidelines [here](#).

**PLEASE NOTE:**

- The students who register for the course are required to inform Ms.Gauri Sen after registration. They will be granted exemption from attending the classes for the duration of the online lectures during the period (Monday, 26 July to Friday, 30 July).
- The course brochure with more details is enclosed.

This is an enriching opportunity and we propose that you register for the course enthusiastically.
