July 2021

Dear Parent

Human development is a lifelong process of physical, behavioral and emotional growth and change. Throughout the process, each person develops attitudes and values that guide choices, relationships and understanding.

Children in the age group of 9-11 years undergo a variety of physical and emotional advances. As a parent, you need to become aware of the developmental changes that your ward will undergo and how to deal with this natural process. With this aim, we are organising a **Parent Awareness Webinar on Saturday, 17 July 2021 from 11.30 am to 12.30 pm on Google Meet.**

Some of the highlights of the session will be:

- Physical & emotional changes
- Talking to children about their bodies
- Understanding 'sexuality'
- Understanding child sexual abuse

The webinar will be followed by a Q/A session. We request you to attend this webinar to have a better understanding of the phase of life that your ward has entered into. **Please note that the meeting is exclusively for you and your ward SHOULD NOT be a part of the same.**
