Dear Parent

Proficiency in English has become a vital life skill especially with the world so dependent on technology. To supplement the efforts being put in by us, we constantly bring our students contests and platforms to provide them opportunities to delve deeper into the knowledge of the language.

One such platform is the Smart Vocab Challenger (SVC). SVC is a credible English language vocabulary contest which facilitates appreciation of the need to use appropriate expressions. Participation in SVC is optional and voluntary.

The details of the Smart Vocab Challenger are as:

- Junior Challenger: classes VI-VIII
- Senior Challenger: IX-XI
- Participation Fee: INR. 150.00
- Downloadable Workbook (optional): INR. 99.00

Tentative Time for conduct of SVC Tests:

- Round 1 of SVC: August 2021 (The Test will be conducted online, the link of which would be made available to the participants 24 hours prior to the Round I Test.)
- Round 2 of SVC: September 2021

In the first part, a virtual quiz will be conducted by placing participants in groups and the winners from this round will proceed to compete against winners from the other groups.
