CIRCULAR FOR CLASSES NURSERY TO II

TIS/ VV/ 2021-22/032

July 2021

Dear Parent

The initial five years in the life of a child are crucial for brain development. The experiences gathered in these years impact her/ his social and emotional well being and future life skills. In the current scenario, as the classrooms have shifted to the online mode, your role towards the life skills development of your ward has magnified. Even though you now have more time with your child, the pressure to juggle multiple roles is stressful and sometimes you are unable to devote enough time to your ward despite wanting to do so.

To guide your efforts and ease the concerns that you may have about parenting in these times, we are organising a webinar on **Friday, 09 July 2021 from 5.00 pm to 6.00 pm on Zoom platform.**

Some of the highlights of the session will be:

- Impact of online classes on students
- Changing role of parents' in these times
- Techniques and ideas to teach children at home

We urge you to attend this webinar as it will give you an insight into your ward's psyche and also equip you to 'respond' and not 'react' to your ward's needs. The link for the same is: Join Zoom Meeting
