Dear Parent

Bullying is unwanted, aggressive behavior sometimes displayed by school going children. The behavior is repeated, or has the potential to be repeated, over time. The children who are bullied and who bully others may have serious and lasting socio-emotional problems. Our children are at a sensitive stage where they have to deal with this issue but are not equipped to handle it.

To enhance the resilience and emotional capacity of our students we are organising '**Bully to Buddy**', an informative webinar on dealing with bullying. The session will be held on **Friday, 6th August, 2021 at 4 .00 pm on**

Google Meet. The key highlights of the session will be:

- Enhanced emotional expression
- Excerpts from peers on their experiences
- Strategies to problem solve bullying situations mindfully
