Dear Parent

The world is becoming increasingly complex and as a parent, you have to play a proactive role in the overall development of your ward. Parenting is no longer the simple process of providing for the basic needs of the child, funding her/ his education or imposing strict disciplinary rules and regulations. Today, it is a lifelong commitment that needs to be carried out with wisdom and involves possessing appropriate knowledge, skills and attitudes. Despite your best efforts you may sometimes be puzzled and stressed by situations, which are difficult to handle. In this scenario, the school is taking an initiative to guide and support you.

To provide an opportunity to share your queries, we invite you to a webinar on '**Parental Concerns on Child Mental Health**' on Tuesday, 24 August '21 from 5.30 pm to 7.00 pm on Zoom platform. The session will be conducted by DR V.S Ravindran, a renowned Educational Psychologist. You can register and share your questions/ concerns using the following link, which will be addressed by Dr Ravindran.
