CIRCULAR FOR CLASSES I TO X

TIS/ VV/ 2021-22/092   **September 2021**

Dear Parents

Eklavya Design Challenge 2021 is an initiative supported by the Govt of India (Department of Science & Technology), NITI Ayog - Atal Innovation Mission and the Govt. of Karnataka. Please note-

- 100 students selected from this contest will win a scholarship to be the first cohorts in the Eklavya Program and work with a global team,
- Top 20 will also get to spend a day with Asha, the humanoid robot at IISc and
- Top 5 entries will get featured in the ARTPARK Summit

 To participate in this competition the students are required to ignite their imagination and answer this question – **What does your Dream India 2030 look like?**

- Registration: https://bit.ly/eklavyadc
- Ages: 6 yrs to 15 yrs/ classes I-X
- Last Date: 20th September 2021
  (Live contest link & further details will be shared after registration)

The participation is optional and free of cost. Please encourage your ward to register for this challenge and participate.
