CIRCULAR FOR CLASSES NURSERY TO X AND XII

TIS/ VV/ 2022-23/010

April 2022

Dear Parents,

All our social campaigns are sustainable student led initiatives which awaken consciousness amongst students to contribute to society. 'Flawless Flaws' is one such initiative that works towards the welfare of **acid attack survivors**.

As part of this campaign, Team Awaam, our school's theatre society is organizing an **annual cultural extravaganza, NINAAD on Saturday, 23 April from 9:00 am to 12 noon in the school auditorium**. Apart from a gala cultural show of performing arts, the students will also put up stalls of artwork, handicrafts, homemade candles, planters and more to raise funds to garner support for the less privileged. Acid survivors have also been invited to be a part of this event to sensitize others through sharing of their experiences.

We welcome you to be a part of this mega event by procuring the donor passes from the school at INR.100 each (one entry per ticket) from Monday, 18 April to Friday, 22 April.

Donor passes can be procured by the students of classes VI to XII from the activity coordinator's room during break time. The parents of students in classes Nursery to V can send the amount through their wards to the class teacher for the donor passes.

This donation will be given directly to the survivors, to meet their surgery and post-operative care expenses. We look forward to your wholehearted support for this worthy cause; your help will bring hope into the lives of these brave survivors.
