Dear Parents,

The school is organising a 3 night 4 day adventure camp for students of class XII at Mountain Quail Mussoorie, Uttarakhand, in May 2022. Supervised by teachers and professional instructors, the programme is specially designed for young minds to help them experience a 'new freedom' in the lap of nature. Safety and security of the students is our prime concern and high- quality equipment will be used at the camps.

Each day at the camp has been customized to bring out the different aspects of a child's personality and hone their innate skills. Students will explore nature, visit villages to get a taste of rural lifestyle and live independently, thus becoming self-reliant. They will work in groups and learn to become team players. They will participate in a number of adventure activities which include Rock craft, Nature-walk, Bird-watching, Trekking etc. These activities have been built to inculcate environmental stewardship, group management, minimal impact camping, self-care & wilderness skills in the students.
