Dear Parents

It is with deep regret that we inform you regarding the cancellation of public participation in NINAAD, our Annual Cultural Extravaganza, due to the prevailing COVID situation.

Considering that the students have worked very hard to make it a memorable event, we will record the presentation and mail it to you next week. We offer our sincere gratitude to all those parents who bought Donor Passes and wholeheartedly supported our social campaign 'Flawless Flaws'. These funds will go a long way in rehabilitation & post operative care of the acid attack survivors.

We thank all of you once again.
