

TAGORE INTERNATIONAL SCHOOL
VASANT VIHAR, NEW DELHI
SYLLABUS- CLASS XI-A
JULY-FEBRUARY(2022-23)

JULY				
Subject	Topics to be Covered / No. of Periods	Learning outcome	Activities	Assessments
English	Prose- The Portrait of a Lady	Each student will be able to 1. Understand the importance of respecting others' views despite serious differences with them. 2. Maintain emotional balance in our relations with the family members 3. Develop being kind, understanding, respectful to the older family members 4. Sensitized towards the needs of animals and birds, and creating a favourable environment for their nurturing 5. Infer the meaning of words/phrases from the context 6. Answer different subjective as well as objective Q's 7. solve extrapolatory questions	Flipped Learning https://drive.google.com/file/d/10tH86KISgjm3aP8eT9R65bHJy76lkXCH/view?usp=sharing Interpret the different uses of 'tell', different senses of the word 'take' and contextual meanings of different expressions. Write a character sketch highlighting the divine qualities of author's grandma. Reflect on the reasons for the growing isolation of elders in families. Students create a web-chart on movement words and synonyms of 'hobbled' EXPERIENTIAL LEARNING ACTIVITY CHITS:	Oral Comprehension check Textbook Questions Worksheet on google doc Assignment Worksheet

The Summer Of The Beautiful White Horse

Each student will be able to apply the literal, interpretative and critical level of comprehending. analyze the character, organize and present ideas coherently. express in clear and grammatically correct English. Apply the literal, interpretative and critical level in analyzing a short story.

ACTIVITY CHITS:

Select a character from the lesson. Write a message this character would write on social media on education

Illustrate an important plot event - Explain why this event is important in the story.

Make a prediction about an event that you believe will occur after the story has ended . Justify your prediction.

Select a character trait that best describes the main character of the story. Give reasons for your selection.

Imagine you are Khuswant Singh. How would you portray your grandmother? Mention one characteristic trait of her which is similar to the grandmother of the story.

What is the theme of this story? How does the author use time, place and character to convey this theme?

Find the word from the lesson which refers to the meanings given below :

1. Greatness –
2. Religious –
3. Changing behaviour –
4. A four wheeled carriage –

choose a character from the chapter. prepare a monologue based on the character's perspective.

Extensive activity on collection of information about the Garoghlanian tribe - pictures and videos and information related to the tribal group.

A short survey of the tribal languages existing in India – it is a staggering

Accountancy

Depreciation, Provisions and Reserves

Each student will be able to:

- state the meaning of depreciation and other related terms.
- explain the causes responsible for depreciation
- calculate provision for depreciation.
- calculate and evaluate the methods of charging depreciation.
- give accounting treatment to straight line and reducing balance method of depreciation.

To observe and collect details of reasons for fall in prices of assets and effect on their sale value.

Class will be divided into two groups and each group will be given a method of depreciation, they will draw a flowchart depicting the process of calculating depreciation.

Students will be asked to make a ppt on any Indian monument and how they have depreciated from early years.

Rectification of errors

Each student will be able to:

- understand the nature of different errors.
- Classify different errors.
- rectify errors with or without suspense account.

Wrong journal entries drafted by students while practicing questions on recording journal entries.(EL)

Students will be asked to rectify errors committed by them(A
