May 2022

Dear Parents

The academic session 2022-23 has begun with students becoming busy getting re-acquainted with the scholastic rhythm.

As we are steadily progressing with academics, it's time for the teachers to update you on the progress of your ward. We are organising a Parent Teacher Meeting where you can discuss your ward's performance with the class teacher and subject teachers. Please note the schedule of the same:

CLASS	DATE & TIME
Nursery	Wednesday, 11 May 8.30 am to 10.30 am
KG	Thursday, 12 May 8.30 am to 10.30 am

Keeping in mind the Covid protocol, only one parent and the student will be allowed to enter the school premises. The time slots will be shared by the class teacher shortly. Please adhere to your time slot.
