**VASANT VIHAR, NEW DELHI-57**

**CIRCULAR FOR CLASSES IX TO XII**

TIS/ VV/ 2022-23/028

May 2022

Dear Parents,

At Tagore International School, we strive towards an all-round development of our students. Like every year, the school has organized **summer internship programme** to prepare them for the professional work space at an early stage in life. Gone are the days when students mentioned interests as reading, singing, dancing, gardening, etc., in their CVs. Now is the age where internships, interpersonal skills and community service matter more than traditional skills to give them a cutting edge over others.

Summer break is the right time to enhance their skills and build their CVs. The Internships have been organized for students of classes IX to XII in different professions (both online and offline) during the summer vacation for a duration of 1/2/3 weeks, starting from 23<sup>rd</sup> May to 30<sup>th</sup> June. Attached is the list of internships available in different fields from which they can choose their specific area of interest. The students must fill out the attached application with all of their necessary details and specify their preference in any 2 fields. This form also needs to be signed by a parent and submitted to the Project Director latest by Wednesday, 18<sup>th</sup> May 2022. For queries, write to [vedicasaxena@tagoreint.com](mailto:vedicasaxena@tagoreint.com)
