Dear Parent,

Creativity is a vital skill that gives students a sense of purpose and engages them in something that they love. Thinking creatively provides a fresh perspective and encourages one to think 'out of the box'. When creative people come together, it enhances harmonious thinking capabilities which translate into a more congenial world.

The co-curricular activities in our school help nurture this ingenuity through the Art Pursuit and Physical Activity classes. Each student opts for **ONE Art Pursuit and one PHYSICAL ACTIVITY**. You are requested to fill in the proforma below, listing **TWO different options** each in ART PURSUIT and PHYSICAL ACTIVITY, in order of preference. The allotment of the activities will be done on the basis of your choice AND the availability of seats for that particular activity.

The proforma has to be **submitted to the Class Teacher latest by Monday, 11 July'22**.
