

**CIRCULAR FOR CLASSES IX TO XII**

TIS/ VVI/ 2022-23/057

August' 22

Dear Parents

NEP 2020 emphasises the importance of scientific guidance for children at schools. The real question is 'How to decide What to become in Future'? This decision becomes tough and complex in the current scenario where a lot of changes are happening in the world of careers which signifies the role of scientific Career and Skill Guidance at schools.

Psychometric tests are the scientific ways used to explore a person's attitude, skills and interests to assess the right career path for them. These tests for students will help them discover their unknown skills and talents, thereby deciding which career path to take while they move forward in their studies.

Tagore International School Vasant Vihar in collaboration with Envision India Eduservices is providing the opportunity to the students of Class IX-XII to assess their aptitude and interests via the Psychometric Assessment Program - "Explore". Relating one's aptitude and interests to choice of subjects can help one carve out his/her career path.

**PROGRAM SCHEDULE:**

**STEP 1: Free Online Orientation for Parents of Class IX - X**

- Date : 27<sup>th</sup> August, 2022
