**CIRCULAR FOR CLASSES I TO V**

TIS/ VV/ 2022-23/045

July 2022

Dear Parent

"Astronomy compels the soul to look upwards and lead us from this world to another." .....Plato

When we look up at the sky, a lot of questions come to our mind. Is there a world beyond this? Are we alone or is life possible on another planet? To answer such queries, broaden the mental horizons and create a scientifically aware society, the school is pleased to organize astronomy related hands-on workshops for the students of classes I to V. These workshops will be in collaboration with SPACE organization.

There will be six workshops of 90 minutes each (four in physical mode and two in online mode). All the physical sessions will be held in the school. Please note the schedule for the same:
