Dear Parent

A constant dialogue between the school and the parents is of great importance for the overall growth of a child. Keeping this in mind, we are organising a **Parent Teacher Meeting on Saturday, 03 December 2022 in the ONLINE mode**. The teachers will discuss her / his performance with you. The timing for the same will be from 8.30 AM to 12.00 NOON. The time slot for your ward and the Google Meet link will be shared by the class teacher shortly.
