**CIRCULAR FOR CLASS V**

TIS/ VV/ 2022-23/114

January 2023

Dear Parent,

As per CBSE guidelines, each student in classes VI to VIII is required to study THREE languages. English is the first language and is compulsory for all. Hindi is the second language and is compulsory for Indian students. However, the nationals of other countries are exempted from studying Hindi.

The school offers Spanish, French and Sanskrit as options for the third language. All students have to opt for **any ONE** of the three. They have to be certain of their choice as they have to study the same language for the next three years and no change at a later date or class will be possible. The students who qualify for Spanish and French will be able to pursue the language till class X.

As you are already aware, students will be allowed to opt for Spanish or French on the basis of their grades in English in class V. Students scoring a minimum of **B1 in each skill area of English** are eligible to study these languages.

You are requested to state your order of preference for the third language in the consent slip given below and submit it to the classteacher by **Wednesday, 25 January 2023**. Please keep in mind your ward's performance in English while opting for the third language.
