EDUCATIONAL TRIP - DUDHWA

Dear Parent,

An educational trip means more than simply leaving the school grounds. These trips always have a major learning element, and give students a chance to build closer bonds with their classmates, experience new environments and enjoy a few days away from home and the classroom. With this thought in mind, the school is organising a trip to **Dudhwa National Park**. It is situated in the lush green Terai belt of the Himalayan region, tucked in between Uttar Pradesh and Nepal. It comprises of a complex ecosystem of a large number of animals, some of which are endangered.

The students will get an opportunity to study the park's unique ecosystem, appreciate harmonious co-existence of all organisms and the importance of 'Live and let live'! Many activities are devised for the students during this visit, which are geared towards igniting scientific curiosity in them. This year, we have scheduled the trip from **Tuesday, 21 February 2023 to Saturday, 26 February 2023**. The cost of the trip is **₹9700/-**, (which includes the cost of travelling by train to and from Lucknow) and camp facilities.

If you wish to send your ward for this trip, kindly fill in the consent slip and send it along with the amount in **cash** to the class teacher in a sealed and labelled envelope, latest by **Friday, 27 January 2023**. The entries will be accepted on a priority basis, as the necessary bookings have to be made in advance. **The detailed itinerary will be shared on confirmation.**
