CIRCULAR FOR CLASSES VI TO IX

TIS/ VV/ 2023-24/010   **April 2023**

INTRODUCTION OF ARTIFICIAL INTELLIGENCE

Dear Parents,

The future belongs to the generation that is ready with the future skills. The introduction of Artificial Intelligence as skill subject is one of the most novel concepts brought into the classrooms by CBSE.

In sync with the larger goal of enabling and empowering the next generation with AI skills, we, at TIS are introducing Artificial Intelligence as a subject across classes VI to IX. The syllabus is designed to provide the students with fundamental knowledge about AI, Robotics and Internet of Things (IOT).The aim is to demystify AI for students and equip them with the skill sets and the mind-set required for AI readiness.

A nominal fee of Rs. 200/- will be charged for this skill subject and will be reflected in the monthly fee bill.

Moving towards making our next generation 'AI ready'.

Dr. Parul Tyagi

Principal
