SUMMER TRIP

Dear Parents,

"The best education you'll get is traveling. Nothing teaches you more than exploring the world and accumulating experiences."
Mark Patterson

The classroom is an effective simulation of the real world. However, when learning is shifted into to a real-life situation it becomes more powerful. School excursion is one such experiential learning for the holistic development of children. These excursions provide a chance to experience cultures, respect differences, participate in team building exercises, problem solving tasks and a fantastic opportunity to develop new friendships and life skills.

- Adventure sports at the popular peak – **Chauliki Jhali**
- Ecotourism experience**: Spend a day in a village, cook a meal, plow a field, manage livestock etc.
- Trek to the hidden **Bhaluhaad Waterfall**, Splash & Play at Kosi River, Walk to Sunrise Point – Glimpse of Himalayas, Girjiya Temple, Mall Road etc.
