SUMMER PROGRAM

Dear Parents,

Not all classrooms have four walls....Unknown

Always looking at up-skilling Tagoreans and in a bid to help them bring to fore their latent strengths, we are collaborating, all over again, with Gyansthan Education Services, to provide an exciting and enriching summer program for our students.

The 10-hour online workshops offered have been designed to ensure that the students work towards a specific end goal which is tangible in nature. The aim is to make them future-ready and work-ready, building a personality second to none. There will be a showcase activity at the end of the program. All participants will receive a certificate of participation from the Academy.

Students can choose from the following programs:

| S.No. | PROGRAM | CONDUCTED BY | TIME |
|-------|----------------------|--|-------------------------|
