Dear Parent,

In today's fast-paced and competitive world, making informed career decisions has become more critical than ever. Choosing a career that aligns with your ward's interests, skills, and values can significantly impact their quality of life, job satisfaction and overall success.

With a plethora of career options available, it can be challenging for the students to identify their career goals and navigate through the maze of career opportunities. - Competitions like TYE, IIT Delhi, Inspire, Intel science fair
- Summer camps - Entrepreneurship by EDII, Law and public policy by JGU, Cornell, USC, UC Berkeley.
- Profile Building -Research Paper, internships, tech projects and more
