Dear Parent,

Reading, writing and correct spellings are the hallmarks of effective communication skills. It is our constant endeavour to provide students with opportunities to hone these skills. One such opportunity is participation in Indian Spelling Bee (ISB) – a National Level Spelling Competition for school children.

ISB registrations for 2023-24 are now open for students of classes I to IX.

Please take a note of the following:

- Participation is **optional**.
- There are three levels – School level, Regional level and National level
- The School level exam will be held in an **ONLINE** mode.
