Dear Parent,

*Studying abroad is the single most effective way of changing the way we view the world.*

The college admissions process is a nerve-racking journey for students and parents, with plenty of tough decisions along the way, more so if one is planning on studying overseas.

With the aim to provide guidance to our students and help them navigate the college admissions process, we are organizing a workshop on '**Overseas University Admissions**' by Mr. Abhinav Nath, NexTrack Consulting. The workshop will provide information about:

- The landscape of colleges in the US, UK, Canada and Liberal Arts Colleges in India
- Factors which affect undergraduate admissions
- Critical Components of the undergraduate application journey

- Date : Saturday, 20 May 2023
- Time : 9:00 a.m .to 10:00 a.m.
- Venue : AV-II

We encourage you to attend these sessions and make the most of this opportunity.
