CIRCULAR FOR CLASSES NURSERY TO XII

TIS/ VV/ 2023-24/042

July 2023

Dear Parent,

We hope you had a wonderful time with your ward/s during the summer vacations. The school reopens on Monday, 03 July 2023.

We have made the following additions to the infrastructure of the school to give better amenities and safer premises to the students:

- A multi-purpose room has been built on the third floor for students' use for varied purposes.
- Separate changing rooms for boys and girls have been made on the third floor.
- New washrooms for girls of Nursery & KG have been built on their respective floors.
- Interactive boards have been mounted in all sections of class V and the middle school Computer lab.

We would also like you to pay attention to the points below to maintain smooth working of the school.

- Students can carry metal/steel bottles to school. Care should be taken by them to use these bottles for the purpose of water storage only.
- We are banning the use of a 'Smart watch' or a 'cellular-enabled watch' in the school. If a watch is confiscated, it will NOT be returned.
- Mobile phones are allowed to be carried by Class XI and XII students only. They are to be kept switched off at all times in the school. Use of mobile phones in the school bus is strictly prohibited. The bus route in-charge has the right to confiscate any phone being used in the bus. In case of emergency, the student can approach the bus in-charge for making a call.
- Students are allowed to wear full sleeves/ half sleeves shirt in summers .

We seek your cooperation at all times.
