

**TAGORE INTERNATIONAL SCHOOL**  
**VASANT VIHAR, NEW DELHI-57**

**CIRCULAR FOR CLASS XI**

TIS/ VV/ 2023-24/045

July 2023

Dear Parents

After class XII, your ward will be seeking admission in a university for the undergraduate program. She/he may choose to study in the country or go abroad for further education. We would like to apprise you of a few points regarding this:

1. All top Indian and foreign universities require students to submit Letters of recommendations (LOR) from the Principal /teachers of the school last attended by the student.
2. These LORs reflect the academic grades, extra curricular participation and achievements and contribution to social causes. These LORs play a very vital role in the selection process of the university.
3. It is important that your ward understands this and puts in the required effort to build her/his portfolio of achievements in various fields to strengthen her/his LOR.
4. **The school will provide these LOR's only to those students who score 75% and above in class XI Final assessment.** So, your ward will need to study sincerely for each test / exam to get a score above 75%. This condition has been put by us as foreign and top Indian universities do not entertain applications from students who score less than 75%.
5. Students will also be required to submit predicted scores by the school. We would like to specify that these predicted scores will totally depend on class XI Final assessments; so your ward needs to take her/his studies seriously.
6. This is also to inform you that the course fee and other expense structure of many universities abroad are at par with many top Indian colleges and universities.

Dr. Parul Tyagi  
Principal
