Dear Parent

The school has been closed for students of Nursery to class V due to incessant rain, as per the directive of the DOE. In case, the classes for these students are closed for any day in future, then we will have online classes for them. The class will be divided into two groups. The timing for the groups will be from 8.00 am to 9:30 am and 9:45 am to 11:15 pm respectively. The Google Meet links and group schedule will be shared by the class teachers accordingly. Please ensure that you have the necessary setup (laptop and Wi-Fi connectivity) for smooth conduct of the class.

You are requested to refer to your ward's class WhatsApp broadcast and Google group for further information.
