CIRCULAR FOR CLASSES NURSERY AND K.G.

TIS/ VV/ 2023-24/054

July 2023

Dear Parent,

At TIS, we believe in developing 21st century skills in our students. These skills empower them to face the challenges of the modern world. The power to express and communicate one's own thoughts and ideas with clarity is one such skill. In accordance with this, we are commencing with the '**I Speak**' activity, which will happen **every Friday, starting from 04 August 2023**.

The students should come prepared to speak 3-4 sentences on any object / picture which they will carry with them on that day. We seek your cooperation in maintaining the regularity of this activity.
