Circular for Organ Donation

Dear Parent

"Life is a gift, and the act of organ donation is the most precious way to share that gift with others. By giving a piece of ourselves, we create a ripple of hope and healing that extends far beyond our own existence."

....Unknown

'Outlive Yourself' is a student-driven social outreach initiative of TIS. The program aims to foster an unwavering commitment to the vital cause of **organ donation** through powerful community partnerships. In pursuit of this mission, we have joined forces with the **National Organ and Tissue Transplant Organization (NOTTO)**, Ministry of Health and Family Welfare, Government of India.

To take this initiative forward, we are celebrating **World Organ Donation Day on Sunday, 13 August 2023**. We invite you to join this cause and make a difference in someone's life by:

- **Filling out Organ Donor Forms** : Consider becoming an organ donor by scanning the attached QR code and filling out the donor form. Your decision can bring hope and new beginnings to those who require organ transplants.
- **Educating your ward/s** : Have a discussion on the importance of organ donation with your ward/s and its positive impact on the society. Encourage her/him to participate in related activities at school.
- **Raising Awareness through Reels** : Let's spread the word creatively through short video reels. Your ward/s can **make a reel** on the song **"Translucent Night" by the band Parikrama**. This song encapsulates the essence of organ donation (<https://youtu.be/t2tFkLCAWE?t=6>). In the reel, your ward should be engaged in any of her/ his favourite activity like dancing, writing/studying, painting/ drawing, playing any musical instrument, exercising, doing a mime, helping in daily chores etc. **with the given soundtrack as background music**. The reel should not be of more than 15 seconds. Upload the reel on drive (https://drive.google.com/drive/folders/1JiLaNz4SUj4W8D-Dm91m-F0ggcWZ7Z6J?usp=drive_link) **by Monday, 21 August 2023**. Please mention your ward's name, class and section as the file name. These reels will be used to further the program's reach on various social media platforms.

On this World Organ Donation Day let's come together as a community to make this cause a success.

Thank you for your supporting us in making this world a better place.

Dr. Parul Tyagi
