SUMMER INTERNSHIP 2025

Dear Parents,

At Tagore International School, we strive to integrate classroom learning with practical application and skills. Thus, every year, we conduct internship programmes for classes X-XII during the summer holidays.

Real-world exposure gives students an understanding of careers and subjects that are best suited for their interests and talents. Furthermore, work experience provides students with an opportunity to develop professional skills, confidence and leadership abilities. These attributes enable them to stand out in a competitive landscape.

Programme Details:

Fields: Internships are available in law, finance, hospitality, medicine, performing arts, international relations, NGO's, architecture, technology, fashion and many other fields.

Kindly click on the link below for details of internships available:
