

**CIRCULAR FOR CLASS XI**

TIS/ VV/ 2025-26/022

April 2025

**ADMISSION FOR PACE ACADEMIC SESSION 2025-26**

Dear Parents

Please find below the details of School integrated coaching programme for Class XI:

**Comprehensive Learning Resources**

Students will receive carefully crafted study material, regular assessments, and performance analytics. The digital learning platform complements classroom teaching with practice questions, video lectures, and doubt-solving sessions.

**Duration & Schedule**

- Academic Term: April 2025 - April 2027
- Session Starting Date: 3<sup>rd</sup> week of April
- Classes integrated within regular school hours and thereafter till 4 pm
- Additional sessions in vacations and on weekends for intensive practice

**Academic Structure**

**Program Name:** Class 11<sup>th</sup>: Two year Comprehensive Classroom Program

**Regular Classroom Training**

- Physics, Chemistry, and Mathematics/Biology
- Aligned with both the board curriculum and the entrance exam syllabus
- 4 sessions per week
- Offline (Mon, Tue, Wed)
- Online (On holidays and Saturday)
- Lecture Time: 12:45-04:00 (2 sessions of 90 mins with a break of 15 min)
- Extra sessions in summer, Diwali and winter vacations
- Extra session covering school exams syllabus

**Test Series**

- Fortnightly topic tests starting after 1 month of commencement of the program
- Monthly comprehensive tests
- Quarterly full-length mock examinations
- Performance analysis and feedback sessions

**Study Material**

- Comprehensive study modules
- Practice problem sets
- Digital learning resources
- Previous years' question banks

**Benefits**

**For Students:**

- Single integrated preparation
- No additional coaching needed
- Reduced stress and better time management

**For Parents:**

- Cost-effective compared to separate coaching
- No transportation logistics for extra classes
- Regular progress updates and analytics

**Faculty Deployment**

- Experienced faculty members specialized in JEE/NEET preparation
- Minimum qualification: M.Sc./B.Tech (from renowned institutions like IIT/NIT) with 5+ years teaching experience
- One dedicated faculty per subject

### **Technology Integration**

- All offline classes from the school
- Recordings of all the classes
- A mobile app to track the homework and the exam result

### **Academic Support**

- One-on-one mentoring sessions
- Dedicated doubt-clearing classes
- Regular parent-teacher meetings (during school PTM)
- Career counselling sessions

### **Quality Assurance Measures**

- Regular faculty performance evaluation
- Student feedback system
- Monthly progress reports

### **Fee Structure**

- Total Fees: ₹ 1,90,000 + 18% GST = ₹ 2,24,200/- to be paid in 6 Instalments
- Fixed: ₹ 40,000/- (Non-refundable)
- Tuition Fee: 1,84,200/- (Refundable on pro-rata basis within 60 days of commencing of classes)

### **Refund Policy**

- Tuition fee is refundable on pro-rata basis

### **Enrolment**

- Token fees of ₹ 5,000/- shall be collected during the time of admission

### **Expected Outcomes**

- Improved JEE/NEET rankings
- Enhanced board exam performance
- Better conceptual understanding
- Reduced study pressure through integrated approach
