CIRCULAR FOR CLASS NURSERY

TIS/ VV/ 2025-26/058

July 2025

Dear Parent,

Effective communication plays a vital role in a child's overall development, enabling them to express their thoughts and emotions with clarity and confidence. We believe that strong communication skills form the foundation for both academic success and social growth.

To nurture these abilities in our students, we are pleased to introduce the '**I Speak**' activity, which will take place every **Friday**, beginning **25th July 2025**.

As part of this initiative, students are encouraged to bring an object or picture from home and prepare to speak **3–4 sentences** about it in class. This regular exercise aims to boost their self-expression and public speaking skills in a supportive environment.

We look forward to your continued cooperation in ensuring your child's active and consistent participation.

Heena Sehgal
Jr. School Headmistress.
