**CIRCULAR FOR CLASSES IX AND X**

**TIS/ VV/ 2025-26/080**

**August 2025**

Dear Parents,

We are organising an online psychometric assessment for the students of Classes IX-X. This scientifically designed assessment will provide meaningful insights into your child's mental abilities, and learning preferences. The test will be conducted by 'RiarPro' at a fee of ₹1000.

Registrations will remain open until Saturday, 31 August 2025, and the online test will be scheduled for Friday, 5 September 2025.

Participating in this assessment will provide several benefits:

- Personalized Guidance – The report will highlight your ward's strengths as well as areas where further growth is possible.
- Future Readiness – The psychological profile will support informed academic and career-related decisions.
- Individual Counselling – A one-on-one counselling session will be arranged for each child along with their parents to discuss the results in depth.

We strongly encourage you to register your ward for this meaningful opportunity to better understand and nurture unique potential.

For complete details and the registration link, please refer to the attached document.

# Career Guidance Program

Choosing the right subjects and stream is a crucial milestone for students stepping into higher classes. To support this journey, our Career Guidance Program is specially designed for students in Class 9 and 10.

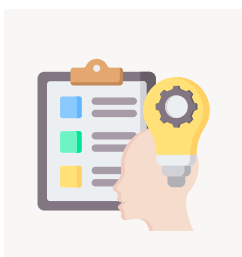

## The Program includes:

### Psychometric Assessment

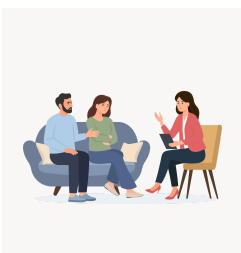

- A scientific, standardized test battery that evaluates a student's aptitude, personality traits, interests, work values, scholastics interests and abilities.

### Detailed Personalised Report

- A comprehensive report explaining the student's results in clear, easy-to-understand terms.
- Includes subject/stream recommendations aligned with their abilities and career aspirations.

### 1 on 1 Counselling Session

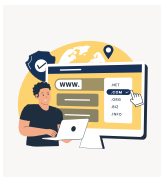

- Interactive sessions with a trained career counselor.
- Counselors guide both the student and parents in interpreting the report.

# Program Benefits

- Helps uncover the child's natural strengths beyond just academic marks.
- Provides insights into suitable career paths for the future.
- Address questions, reduce confusion, and help create a clear action plan for academic choices.
