**CIRCULAR FOR CLASSES NURSERY TO XII**

**TIS/ VV/ 2025-26/113**

**November 2025**

Dear Parents,

I am pleased to share with you that we have received an overwhelmingly positive response to our proposal to install air purifiers in our school. We have secured consensus from approximately 85-90% of parents, which is truly encouraging.

Two units of Eureka Forbes Air Purifier will be installed in each class. Additionally, the school will take care of the maintenance and electricity costs, ensuring a hassle-free experience for all.

To facilitate this initiative, a one-time charge of ₹600 will be added to December fee for all students (except EWS students) of classes Nursery to XI. This will contribute towards the cost of the air purifiers.

We extend our heartfelt gratitude to all parents for their unwavering support and cooperation.
