Dear Parent

We would like to inform you that the school had earlier shifted to online classes **in compliance with the Delhi Government's directive during the GRAP-III situation**. Now, we have **resumed offline classes**.

To ensure the safety and well-being of all students, we have taken several precautionary measures, including:

- Installation of **air purifiers** in classrooms
- Suspension of **all outdoor activities**
- Advising students to **wear masks**

We understand that individual parents may have different viewpoints and concerns regarding offline classes. While it may not be feasible to respond to each concern separately, please be assured that **the safety of our students remains our highest priority**, and all decisions are taken after careful consideration of official guidelines and the overall well-being of the school community.

We sincerely appreciate your understanding and cooperation.

Ms Jyotika Jakhar  
Principal
